

LES BRASSEURS DE GUADELOUPE RECRUTE !

looking for a Brew Master / Qualified Brewer

Les Brasseurs the Guadeloupe is a craft brewery located at French West Indies in the Caribbean. After the establishment in 2015, the company currently operates a 10hl brewhouse. The main brand Gwada Beer has become one of the most popular brands all over the island of Guadeloupe. For the following years we are aiming to increase the capacity up to 7000 hl/year, modernize the brewing process and to continuously improve our standards to provide the island finest Gwada beer.

Key Responsibilities & Requirements in managing position.

✓ Overseeing all aspects of beer production and packaging.

- Planning and forecasting of the production for distributor and sales team
- Development of efficient production schedules, to fulfil orders on time
- Overseeing inventory of raw materials, packaging supplies, spare parts etc.
- Creating and executing CLIT- plans and maintenance schedules for facilities
- Running and improving QM- System and meeting production targets.
- > based on ISO9001 standards

✓ Team Leadership

- Managing the brewery team, division of labour and shift scheduling, ensuring an efficient workflow
- Coordination with different departments of the distribution and sales team
- Guidance, feedback and motivation for the brewery team and co workers, so that everybody is working towards common goals

✓ **Project Management**

- Implementing and adjusting the incoming production software. Working with the IT- Team to meet all needs of the brewery and the production.
- Improvement of the on-trade tapping system across the clients

Overall, this role requires a strong understanding of the brewing process, as well as excellent organizational, leadership, and communication skills.

If you have a proven record in brewery management, strong work ethics and you're able to work effectively in a fast-paced, dynamic environment, then you're the perfect candidate to join the team of Les Brasseurs de Guadeloupe as soon as possible.

APPLY NOW!!

And get the chance of working for a unique brewery, based in one of the most desired regions all over the globe.
