

Job opportunity for a Distiller/Brewer

(up from now, latest 1.1.2025)

64° Reykjavík Distillery ehf is an established small craft distillery, located in Reykjavik, Iceland, specializing in high quality spirits, from unique Icelandic foraged ingredients. The distillery products are mainly Gin, Whiskey, vodka and liqueurs. We are seeking a reliable, detail oriented distiller to join our small team.

Your regular tasks will include:

- Participate in all aspects of the production process for whiskey, gin, vodka and liqueurs from fermentation, distillation, barrelling, bottling, labelling and packaging.
- Maintain a clean and sanitised work environment in accordance with industry standards
- manage and monitor fermentations on daily basis
- Maintain accurate and detailed production records
- Conduct routine quality checks during processing
- Assist in inventory and supply management
- Enjoy working in a open minded, positive and flexible small team
- Participate in distillery tours and tastings
