

We, **Don Marthius Brewery**, located in North Bali, Indonesia, are looking for a **Head Brewer / Master Brewer**.

Your job is to recreate our award-winning recipes on our 50 litre nano brewery (Test Brewery) and afterwards to produce the beers in our 600 litre per brew microbrewery.

We are looking for :

- an educated Head / Master Brewer
- technical knowledge
- fluent English skills spoken and written.
- preferably single.
- passionate about brewing
- ideally have work experience abroad or willing to work & live abroad.
- 100% loyalty to your employer
- a team player with high social competence
- high experience in brewing and bottling beer

Your duties are:

- recreate our award-winning recipes
- brew high quality beers in our 600 litre brewing equipment
- compile, train, lead your team

We offer:

- an interesting and creative job
- adequate considerations
- company car
- accommodation next to the brewery
- costs for visa, residence and work permit
- one round trip to your home country per year (economy class)
- 25 days vacation (not during the first six month)

If you are interested to join our team, just contact us and we look forward to welcome you in beautiful Bali.
