Participant Obligation

Dear participants of the 8th Worldcup of Beersommeliers 2025,

The Doemens Academy GmbH is the organizer of the Worldcup of Beersommeliers and determines the conditions of participation.

An event like the World Cup is unimaginable without sponsors. Therefore, in the run-up to the Worldcup (as with all previous events), sponsorship contracts were signed between the Doemens Academy and the official sponsors of the Worldcup. The sponsors have been guaranteed exclusivity in the contracts. Therefore, only the official sponsors may be advertised at the Worldcup.

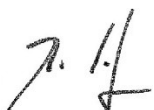

All participants therefore undertake to refrain from any advertising for other competitors. This applies to advertising of any kind, especially clothing.

The official sponsors of the World Championships are:

Drinktec Messe München
Siemens
Barth Haas
Society of the Austrian Brewing Industry
Swiss Brewers Association
Rastal
Anton Par GmbH

As an ideal supporter, we would like to thank the Association of Diplom Biersommeliers!

Best regards,

Geschäftsführer:
Dr. Werner Gloßner
